

Am I protected sufficiently? Set intent - Can I? , May I?, Should I?

Show me where the nearest earth energy line is

Show me the middle/edges

Is it positive or negative?

On a scale 0-10 or 0- -10?

Is it masculine or feminine?

Which way is it running?

Does it have a colour?

Show me where the nearest dragon line is

Show me the middle/edges

Show me the outer bands

Are they Masculine/Feminine which direction are they flowing in?

Is the main dragon line positive or negative?

On a scale 0-10 or 0- -10?

Is it masculine or feminine?

Which way is the energy running?

What direction is it heading?

Does it have a colour?

Show me where the nearest water veins is

Is it positive or negative ?

On which scale 0-10 or 0- -10

How far from the centre can the energy be felt?

How deep beneath the ground?

How much detriment is human emotion?

Which way is it running?

Does it have a colour?

Is there a blind spring here?

Show me where it is

Is there a Ley line/Holy line/spirit line here?

Show me where it is

Are there any others here?

How long is it?

How many sacred or notable sites do they cross or join?

Is it positive or negative?

On a scale 0-10 or 0- -10

Show me where the nearest Energy spiral/drain/chimney is

Positive or negative

On which scale 0-10 or 0- -10

Which direction does it rotate?
Is it spinning upwards or downwards?
Is it masculine or feminine?
Show me where the energy centre is
Show me where the lines are
Show me where any other manifestation crosses the line

Show me the most appropriate spot for me to receive healing
Which direction do I need to face?
How long do I need to stand here?
(maybe ask another dowser to check my aura before and after)

Was the construction beneficial to the land?
Has it helped the land since it was built?
Are there any earth lines that may affect the site?
Show me where they are
Have any lines been attracted to the site since it was built?
Is it, or will it ever be considered a holy site or scared space?
Has human intent played any part since construction?
Has it had an unexpected effect on the land?
Have any ceremonial or holy pathways been set up since it was built?

Counting
21st century backwards
Thousands of feet
Hundreds of feet
Tens of feet

Elementals
Earth – gnomes, dwarves, fairies, elves
Air – spirits and sylphs
Water -undines
Fire – salamanders

Sacred spaces – is it a good time for me to visit?
May I communicate with the guardian of the site? Show me the most appropriate place to sit/stand so that I may tune in to the guardian of the site/spirit of the place most effectively.

Is there anything interesting for me to find today?
Show me
When was this site first in use?
Are the stones here for a religious/ceremonial purpose?
When were they erected?

Is it in alignment with stars/sun/directions/other significant sites?
How many people transported the stone or stones?
Was the site in daily/weekly/monthly/yearly use?
Who built the site (mankind, aliens/shining ones)?
What was the busiest time for the site (winter/summer/spring/autumn/equinox, longest/shortest)?
Were the solstices or cross quarter days special times (winter/summer)?
Did the moon play a part in any of the ceremonies?

How many stones circles were here originally?
Did man add to these over the years?
Are the stones producing an electric/magnetic field?
Are they communicating with each other?
Does the energy field fluctuate during the day/night?
How heavy is the stone?
Is there anyone or anything buried beneath it?

Does water play a part in energising the circles/standing stone?
Are there energy lines running through the circle?
Is there a special stone to stand behind/hug today?
Can I do any healing on the site or space today?
Was the circle built for earth healing purposes?
Was the circle built for any other healing purpose?
Are there different energy bands running up the stones?
Can I measure a stones aura/chakras?
Is there a male or female aspect to the site?
If so show me where.

Did sacrifice play a part here?
If so, was this part of the original purpose?
How many different uses has the circle had?
Are there any pictograms here for me to find?
If so, please show me where

Cairns/Cists/Quoits?
Was this used for burial /cremation?
Significant person in the community Priest/Priestess/Shaman/Elder?
How many people/burial/cremation?
What time period?
Are there any earth energy lines, Spirals/blind springs present here?
Is it built on a directional alignment?
